

# Are you a Dentist, Pharmacist or Optician who wants to know more about the Mental Capacity Act?

- + Do you feel the voice of the patient is sometimes overlooked?**
- + Do you feel you or your colleagues need to know more about gaining consent and assessing mental capacity?**
- + Are you worried you might not be clear who can make which decisions?**

If you want to develop your knowledge and skills to ensure your patient's rights, choices and dignity are respected then why not train to become an
