Dear Partners,

As some of you may know Cgl, partnered with Gateshead GP Federation and Recovery Connections in Gateshead, has been awarded the revised contract to deliver adult substance misuse treatment and recovery services. The contract was awarded by Gateshead Council and will commence on 1 November 2018. The service will be known as Gateshead Recovery Partnership, as opposed to Gateshead Evolve.

Cgl have been delivering effective adult treatment services to Gateshead residents since 1 November 2014.

Cgl welcome new innovation within the contract for our service users and are determined to continue to ensure service users receive a gold standard service. Cgl and the Council are working together on a mobilisation period to prepare for the implementation of the new contract. We will endeavour to keep all partners and stakeholders fully informed during this process and beyond.

There will be further communication with GP's in the very near future to discuss operational issues that may affect individual surgeries.

If there are any queries please contact either Joy Evans (Gateshead Council) on 0191 433 2421 or Jazz Chamley (Cgl) on 0191 5947821.

Yours faithfully,

Gerald Tompkins
